RELATORI | SPEAKERS

Dr. Abdelfatah Eman Mohamed

Specialist in Oral health. Board member of Egyptian Association of Prosthetic and restorative dentistry.

Dr. Acampora Rosario

Graduated in Dentistry, Specialized in Dental Surgery; at Reims State University France; Perfected in reconstructive periodontal surgery at University of Naples Federico II. Author of various scientific publications in national and international journals, Speaker at various national and international congresses.

Almasri Lway

4th Year Dental Student at King's College London. UK's most influential student.

Prof. Almasri Maher

Maher Almasri pursued a career in Oral Surgery at the Royal London Hospitals in London. He received Masters and Doctorate Degrees from Barts and the London School of Medicine and Dentistry.

Dr. Andrisani Carlo

Graduated cum laude in 2013 Dentistry and Dental Prosthetics at the Università degli Studi di Roma "Tor Vergata". Second Level Master Degree in "Chirurgia orale e Implantare" at the Università degli Studi di Roma "La Sapienza" directed by Prof. A. Cicconetti and Prof. A. De Biase (2014). Has attended several national and international courses in oral surgery and periodontology.

Prof. Bordea Ioana Roxana

DMD, PhD, MSc (author ID: 56652299500) and lecturer at the University of Medicine and Pharmacy "Iuliu Hatieganu", with 37 articles published in ISI rated journals and 12 in IDB journals, also published 1 international book chapter, 13 national book chapters and 2 books. She defended her PhD thesis in 2016 entitled "Effects of laser biostimulation in oral and maxillofacial diseases". Her field of expertise includes dentistry, laser treatments, stem cells, PRP, PRF and aesthetic treatment.

Dr. Brugiati Massimo

Massimo Brugiati has been practicing since 1982, he is the creator and President of Brumagroup, the first Italian advanced mandibular device M.A.D. Author of numerous scientific publications in the Italian university field.

Dr. Calabria Ennio

Degree in Dentistry and Dental Prosthetics at University of Messina, 27 August 1985, laude Postgraduate Course in Periodontal Reconstructive Surgery

Dr. Campanelli Merigrazia

Graduated in Dentistry in 2018 with 110/110 cum laude at University of Foggia, Italy. During her university career, she completed an internship at the Department of Dentistry of the University of Rijeka in Croatia. She is currently specializing in orthodontics at the School of Specialization in Orthodontics- University of Bari "Aldo Moro". She had a lot of courses in the different branches of dentistry and practices her job in Puglia. SCOPUS: International papers 14 – h-Index 7 – citations: 119

Prof. Capodiferro Saverio

Lecturer and University Researcher at the University of Bari, expert in Laser Therapy and Laser Surgery, author of numerous international and national publications and book chapters. He deals with Oral Surgery and Pathology, Surgical and Non-Surgical Periodontology, Prosthetic Technologies, Implant Rehabilitation, CAD-CAM systematics.

Dr. Carpentiere Vincenzo

Degree in Dentistry and Dental Prosthetics in 1998 from the University of Bari. In 2017, he earned an International Master's degree in Advanced Oral Surgery and Implantology from the same university. In 2013, he acquired a specialization in Orthodontics from the University of Chieti, while in 2011, he completed a specialization in Oral Surgery from the University of Milan. He participated in a one-year theoretical and practical course in Bioprogressive Orthodontic Therapy in 2010 and a one-year postgraduate course in Periodontology in 2006. SCOPUS: International papers 11 – h-Index 6 – citations: 77

Currently enrolled in the Specialization School in Orthodontics at the University of Bari "Aldo Moro".

RELATORI | SPEAKERS

Prof. Laino Luigi

Full Professor of the University of Campania "Luigi Vanvitelli", Medical Director of the same hospital. Director of the School of Specialization in Oral Surgery and President of the Italian Society of Oral Surgery.

Dr. La Rosa Alessia

Graduated with honours in Dentistry and Dental Prosthetics from the Catholic University of the Sacred Heart. She works with the Medical Team and Prof. E. Raimondo in several Special Dentistry Departments, also collaborating on the early detection of oral mucosal lesions in mentally disabled patients

Prof. Leonardi Rosalia

Full Professor of Odontostomatological Diseases Med 28; 06 F1. Specialist in Orthodontics Chairman of the Master's Degree Course in Dentistry and Dental Prosthetics for the 2017-2021 academic year. Director of the School of Specialisation in Orthodontics from 2010 to the present. Head of the Intradepartmental Programme in 'Interceptive Orthodontics for the Prevention, Diagnosis and Early Treatment of Malocclusions and Discontinuities' Policlinico di Catania Director of the UOC Dentistry Policlinico Catania.

Prof. Limongelli Luisa

Graduated laude in Dentistry and Dental Prosthetics in 2013 at the University of Bari; Master of Science in Laser in Odontostomatology. Specialized in Oral Surgery in 2021 at the University of Chieti-Pescara. Expert in the Odontostomatological clinic and research contractor 2016-17 at the University of Bari. Speaker at numerous national and international conferences. Winner of numerous research awards. She is the author of numerous publications in English. National scientific qualification for the functions of university professor. Assistant Professor Type B, University of Bari 2023.

Prof. Lo Giudice Giuseppe

MD, MSc, dean of School of Dentistry in Messina University. Professor of Endodontics and Conservative Dentistry in CLMOPD and Odontostomatological diseases in Medicine and Surgery in Italian and English language. Director of Master in "The evolution of endodontic-conservative therapy. Digital and microscopic techniques, lasers and new materials". Head of Conservative and Endodontics Service of the UOC of Odontostomatology.

Dr. Lo Giudice Roberto

Graduated in Dentistry and Dental Prosthetics in Messina University, obtained the Specialization in Dental Surgery University Federico II of Naples and the PhD at the Department of Clinical and the PhD at the Department of Clinical and Experimental Biomedical Sciences XXXII cycle of Messina. Research Fellow at Dep. of "Adult and developmental pathologies" in Messina University.

Dr. Lombardo Massimiliano

Master of Science in Dentistry in 1997 and Speciality in Orthodontics in 2001 at University of Milan. Master in Endodontics at University of Rome, Miniresidency Program at Orofacial Pain Center - University of Kentucky with Prof. Okeson and 2 year Master in Micro Invasive Dentistry at University of Geneva. 2 year Roth & William Orthodontic Society Certification in Italy, 3 year Certification at Orofacial Bioesthetic Institute in USA. Private courses with Dott. Renato Cocconi, Dott. Didier Dietschi, Dott. Mauro Fradeani and Dott. Pascal Magne. He gives courses in Orthodontics and esthetic dentistry with the group AOP- Advanced Orthodontic Philosophy.

Prof. Lorusso Felice

Graduated in Dentistry in 2011 and Specialist in Oral Surgery at the University "G. D'Annunzio" of Chieti-Pescara. Lorusso Felice completed the PhD course in Medical Biotechnology, curriculum in Integrated Surgery at the University "G. D'Annunzio" of Chieti-Pescara. Department of Innovative Technologies in Medicine and Dentistry, University of Chieti-Pescara, 66100 Chieti, Italia. Research staff at BioClinLab at the University of Chieti-Pescara.

Prof. Malagnino Giancarlo

Graduated from the Gabriele d'Annunzio University of Chieti in 2003, carries out his profession dealing exclusively with endodontics, author of scientific publications and speaker in numerous courses and congresses in the endodontic field.

Dr. Malaguti Oscar

Degree in Dentistry and Prosthodontics 2002 University of Perugia. Collaboration with Prof. Testori Tiziano, mainly in the field of sinus surgery and immediate loading in major rehabilitations, holding courses as a tutor in basic and advanced surgery and basic and advanced periodontology

RELATORI | SPEAKERS

Dr. Malcangi Giuseppina

Degree in Dentistry and Dental Prosthetic, University of Bari (Italy) 1989. 1th and 2nd level International masters advanced oral surgery and dental implantology. Specialist in Orthodontics at Interdisciplinary Department of Medicine (D.I.M.) Bari University "Aldo Moro". Subject matter expert at CLOPD of University of Bari "Aldo Moro". Author of over 116 scientific papers in International indexed Journals with impact factor (h- index: 24 and Citations: 1618 at June 2024, Author ID: 57218825574), 4 book chapters, 1 International patent, and author of more than 50 articles in National Journal.

Dr. Marchioli Giulia

Graduated laude in Dentistry and Dental Prosthetics at the G. D'Annunzio University of Chieti-Pescara. Registration in the Provincial Register of Dentists of Chieti (registration number: 00736). Resident in Orthodontics at the "G. D'Annunzio" University of Chieti-Pescara. PhD student in Medical Biotechnology at the G. D'Annunzio University of Chieti-Pescara.

Prof. Marenzi Gaetano

Graduated in Dentistry and Dental Prosthetics with full marks. He is a PhD in Oro-Maxillo-Facial Surgery, Specialized in Oral Surgery and Orthodontics at the University of Naples Federico II. Master II level "Oro-Facial pain and Temporomandibular Disorders: diagnosis and therapy". Currently Associate Professor at the University of Naples Federico II lecturing in Oral and Implant Surgery.

Dr. Marrapodi Maria Maddalena

Graduated in Medicine and Surgery at the University of Campania, Luigi Vanvitelli, Naples, Italy. She has been specialising in Paediatrics in the 4th year, since 01/11/2019, PhD candidate in Translational Medicine at the University of Campania, Luigi Vanvitelli, Naples, Italy since December 2022. Vaccine Doctor at ASL Napoli 1 from April 2021 until 31 March 2022.

Prof. Maspero Cinzia

Degree in Medicine and Surgery at the University of Milan in 1992 with 110/110. Specialization in Dentistry in 1996 with 70/70 summa cum laude. Specialization in Orthodontics in 2000 with 70/70 summa cum laude. Graduation in Orthodontics in 1995 (New York University). Medical Doctor and Dentistry Fondazione IRCCS Cà Granda from 2000 to now. Researcher at the Department of Biomedical, Surgical and Dental Sciences from 2019 until 2022. Associate Professor University of Milan Med28. She is author of many scientific articles in Italian and foreign Journals.

Prof. Mastrangelo Filiberto

Currently Associate Professor of University of Foggia in Oral Surgery and Implantology School of Dentistry. Head of Oral Surgery and Implantology Dentistry Dept. Director of Pediatric Dentistry specialization. Graduated in Medicine in 1993. Graduated cum laude in Dentistry in 2000. PhD in 2003 and Oral Surgery specialist cum laude in 2006. I.A.D.R. fellow in 2003.

Dr. Minervini Giuseppe

Graduated in Dental Medicine in July 2016 with honors. He is currently PhD attending in Biochemistry and Biotechnology at University of Campania "Luigi Vanvitelli", Naples, Italy. He is Subject Expert in Dental Materials and tutor in Orthodontics Dentistry School at University of Campania "Luigi Vanvitelli", Naples, Italy. He is Executive Guest Editor for several Special Issues and member of the SIDO, EOS.

Dr. Miniello Alessandra

Graduated in Dentistry and Dental Prosthetics at the University of Naples Federico II. She is Specialized in Oral Surgery and currently PhD Student at the University of Naples "Federico II".

Prof. Monaco Annalisa

DDS, MSc, President of CLM in Dentistry and Dental Prosthetics. Full Professor. Director of the Division of TMD & Orofacial Pain. University of L'Aquila. Department of Life, Health and Environmental Sciences San Salvatore Hospital, Building Delta 6 - Unit of Dentistry

Prof. Mortellaro Carmen

Full Professor Head of the Regenerative Medicine and Tissue Engineering Unit Saint Camillus International University of Health and Medical Science. Former Full Professor of the University of Eastern Piedmont. Associate Professor of CNR - ISTECC Institute of Science and Technology for Ceramics Faenza Italy

Dr. Morolla Roberta

Born on 18 July 1996 in Terlizzi (BA), Italy. Graduated at Classical High School "Benedetto Marzolla" in Brindisi in July 2015 with 100/100. Degree in Dentistry and Dental Prosthetics at the University of Florence in July 2021 with 110/110. Currently attending Specialization School in Orthodontics at the University of Bari. SCOPUS: International papers 7 - h-Index 4 - citations: 27

RELATORI | SPEAKERS

Prof. Mucignat Carla

Associate Professor of Physiology at the Medical School and chair of the Dentistry Course at the University of Padua, Italy. She holds a Ph.D. in the Neurosciences and teaches Physiology to both undergraduates, graduates, and residents. She is a neurophysiologist interested in the neurobehavioral development and published more than 120 papers in international, peer-reviewed journals.

Dr. Nguyen Karen

Medical Researcher with master degree from Lincoln University of California, she is specialized in the field of Stem Cell and she is currently cooperating with University of Bari and working at St. Andrea Medical Diagnostic Center, Bari-Italia. She is the chairwoman of the Italian-Vietnam Association for the Development of Science and Technology. Dr. Karen Kieu Nguyen and colleagues have been author of over 50 medical research papers that have been published internationally with international researchers.

Dr. Nocco Cristina

Degree in Dentistry and Dental Prosthetics from the University of Sassari. Specialist in Orthodontics at the University of Cagliari. Tutor at the Full-Tutoring Course in Orthodontics, from theory to practice. STEP BASE. Ordinary SIDO member. Ordinary SIBOS member. A.S.I.O. member. Attended 2nd Level Master of Orthodontics at the University of Ferrara. Best clinical poster: "Open bite management in the growing patient: the importance of lingual frenulectomy and functional rehabilitation. A case report." Best clinical poster: "Re-establishment of a functional and esthetic equilibrium in an adult patient with periodontal disease by means of orthodontic treatment".

Prof. Nucera Riccardo

Graduated with honors in Dentistry in 1999 from the University of Messina. He earned his Ph.D. degree in "Dental Science" in February 2003. In 2011, he completed a three-year residency program in Orthodontics at the University of Chieti-Pescara. From 2011 to 2019, he worked as an assistant professor at the University of Messina. Currently, he serves as the Director of the three-year residency Orthodontic Program of Messina University. In 2023, he became a certified member of the European Board of Orthodontics. Prof. Riccardo Nucera has been a speaker at numerous national and international congresses, his areas of expertise include the clinical application of digital orthodontics, CBCT imaging, early treatment, biomechanics and skeletal anchorage.

Dr. Nucci Ludovica

DDS, PHDs, PGOPs, Degree at Dental School of the University of Campania Luigi Vanvitelli, Naples, Italy, in 2020 where she completed her Tutoring Activity. Currently, she is a third-year PhD student in Biochemical and Biotechnological Sciences at the University of Campania "Luigi Vanvitelli" and a first-year post graduate orthodontic program student at the University of Rome Tor Vergata. She is a member of the SIDO, EOS, WFO and AAO. She has published, as author and co-author, international articles, book chapters, abstracts of oral health and poster presentations and she has received several Awards. Her research interests include early treatment, dentofacial orthopaedics, clear aligners, impacted canines, clefts and biomarkers during orthodontic movement.

Prof. Orrù Germano

Degree in Biological Sciences at the University of Cagliari (Italy) in 1996. Ph.D in Medical Biotechnology, Oral Microbiology at the University of Siena (Italy) in 2001. Master in Human Nutrition (2nd level) at the University of Pavia (Italy) 2013. Post Doctoral fellows at the: University of Miyazaki (Japan) 2006, University of Wageningen (Netherlands) 2009, University of the West of England (Bristol) 2011. Full Professor at the Department of Surgical Science University of Cagliari (Italy), from 2017-present. He is author of : 403 publications (221 peer-reviewed papers), 7 patents, 120 proceedings and several communications at international and national meetings.

Prof. Oyole Patricia

DDS, OMS, MBA. Oral-Maxillo-Surgeon-Microvascular Reconstructive Surgery. MBA Healthcare Administration-University of Miami-FL-US. Associate Director-AEGD Residency-Larkin Community Hospital. Chair of Faculty-IFDS Miami @FacialAnatomy-FL-US. Head & Neck Anatomy Faculty-MARC Institute-Doral-FL. Fellow-American Academy of Facial Esthetics-US. Faculty Member-European Association of Cranio-Maxillo-Facial-Surgery. International Faculty-University of Bari "Aldo Moro" Italy.

Prof. Paglia Luigi

He graduated in Medicine and Surgery at the University of Milan in 1981. Specialist in Dentistry and Maxillofacial Surgery. Founder of the Department of Maternal and Child Dentistry of the Italian Stomatological Institute in Milan.

RELATORI | SPEAKERS

Prof. Palermo Andrea

Postgraduate Course in Implantology and Cosmetic Dentistry at the New York University. Associate Professor in Implant dentistry at College of Medicine and Dentistry, Birmingham (England). Private practice in Lecce (Italy).

Dr. Paduanelli Gregorio

Graduated from the University of Bari "Aldo Moro" – He Obtained Three Masters. Coordinating Tutor, Lecturer on Assignment, Member of the CTS Technical-Scientific Committee, Moderator, in: Masters of I and II level, Degree Courses D.I., High Training Courses, Congresses, Author of Publications in Scientific Journals, National and International, Indexed on Scopus ID 57188927152 and PUBMED.

Dr. Palumbo Irene

Graduated at Scientific High School "Virgilio-Redi" in Squinzano (LE) in July 2016 with 100/100 cum laude. Degree in Dentistry and Dental Prosthetics at the University of Pisa in May 2022 with 110/110 cum laude. Currently attending Specialization School in Orthodontics at the University of Bari. SCOPUS: International papers 8 – h-Index 2 – citations: 9

Dr. Pennacchio Benito Francesco Pio

Graduated in Dentistry in 2021 at the Catholic University - Regional Center Viseu, Portugal. He attended courses in orthodontics. Currently specializing in orthodontics at the School of Specialization in Orthodontics - University of Bari "Aldo Moro".

Dr. Pezzolla Carmela

Dr. Carmela Pezzolla is a highly accomplished dental professional with a degree in Dentistry and Dental Prosthetics from the University of Foggia. Currently specializing in orthodontics at the University of Bari. Dr. Pezzolla is dedicated to advancing her skills and knowledge, participating in professional organizations like SIBOS, ANDI, SIDO, SidCO, SUSO, ASIO, NYU, and ANTHEC. She specializes in fixed orthodontics and invisible alignment techniques, including the Invisalign system. She customizes treatment plans to meet individual needs. SCOPUS: International papers 6 – h-Index 4 – citations: 22

Prof. Piattelli Adriano

Currently Full Professor, School of Dentistry, Saint Camillus International University of Health Sciences (UniCamillus), Rome, Italy. From 1997 to 2009 he was Dean and Director of Studies and Research, Dental School, University of Chieti-Pescara, Italy. He graduated in Medicine and Surgery at the Catholic University in Rome in July 1975. He took the Specialty Board of General Surgery at Chieti University in July 1980 and the Specialty Board of Dentistry at Rome "Sapienza" University in 1988. Prof. Piattelli received in November 2015 a Honoris Causa degree from the University of Valencia in Spain, and in October 2016 an Honoris Causa degree from the Universidad Catolica de San Antonio de Murcia (UCAM), Murcia, Spain.

Dr. Puleio Francesco

Graduated cum laude in Dentistry and dental prosthesis at Messina University in 2016. Awarded with a scholarship for his research activities in the field of endodontic-restorative dentistry. Completed a second-level Master's degree in 'The Evolution of Conservative Endodontic Therapy: Digital and Microscopic Techniques, Lasers, New Materials.' Currently, is pursuing a PhD in Bioengineering applied to medical sciences. Author of publications in national and international journals

Dr. Rabita Danilo

Degree in dentistry and dental prosthetics in 2016 from the European University of Madrid. With attendance at the university hospital for 2 years. Since 2022 he has been a member of the Alessandro Cipollina Research Group with Professor Alessandro Cipollina and Adriano Piattelli.

Dr. Raimondo Eugenio

Further training in the U.S.A. and in Sweden where he is a student of Prof. Lindhe. Lecturer at several universities as an expert in special dentistry. Runs Surgery Services for the Disabled, having thousands of narcosis treatments to his credit. Author of a book on special care. Speaker at congresses, including international ones.

Prof. Radunovic Milena

MD, has been working as Assistant Professor of Microbiology and Immunology at the University in Belgrade, School of Dental Medicine since 2018. She specialized in Medical Microbiology and Parasitology in 2015, and in 2016 obtained her Ph.D. in molecular medicine. In 2016 she was a research fellow at the "Gabriele d'Annunzio" University in Italy. Her research focuses on the development and analysis of oral biofilms and the analysis of the oral microbiome. In 2019 she received an award for the best-published paper given by the National Society of Medical Mycology and the "Djoka Vljaković Foundation" award for the best publication by young researchers from University of Belgrade. For two years she was a finalist for the "For Women in Science" award. She is the national representative of the Trainees Association of the European Society of Clinical Microbiology and Infectious Diseases (ESCMID).

Dr. Rapone Biagio

Graduated in Dental School at the University of Bari "Aldo Moro", Italy. Specialization in "Odontostomatological Surgery" at the University of Naples "Federico II", Naples, Italy. PhD in "Biomolecular Pharmaceutical and Medical Sciences" at the University of Bari Aldo Moro, Bari, Italy. Visiting Professor at University of Medicine, Tirana, Faculty of Dentistry 2019- 2022 (Fakulteti i Mjekesise Dentare-FMD), Tirana, Albania, for three Academic Years 2019-2020, 2020-2021 and 2021-2022.

Dr. Riccaldo Lilla

Born on 20 September 1995 in Molfetta (BA), Italy. Degree in Dentistry and Dental Prosthetics in 2021 at the University of Bari Aldo Moro with 110/110 cum laude with an experimental thesis. Currently attending Specialization School in Orthodontics at the University of Bari. SCOPUS: International papers 8 – h-Index 2 – citations: 11

Dr. Romasco Tea

Currently a PhD Student in Medical Biotechnologies, curriculum Integrated Surgery, in the Laboratory of Vascular and Stem Cell Biology at the Department of Medical, Oral and Biotechnological Sciences, "G. D'Annunzio" University of Chieti-Pescara, Chieti, Italy. She earned with honors a master's degree in pharmacy and industrial Pharmacy in 2021 from "G. D'Annunzio" University of Chieti-Pescara.

Dr. Russo Diana

Graduated in Dentistry and Dental Prosthetics from the University of Campania "Luigi Vanvitelli" with full marks. PhD. Research in Biochemical and Biotechnological Sciences at the University of Campania "Luigi Vanvitelli". Currently enrolled in the second year of specialization in Oral Surgery.

Dr. Sabatelli Francesco

Graduated in Dentistry and Dental Prosthetics from the University of Bari "Aldo Moro", specialized in Oral and Zygomatic Surgery.

Dr. Sardano Roberta

Master's degree in Dentistry and Dental Prosthetics from the University of Bari, postgraduate in Orthodontics from the University of Naples "Federico II", Clinical Master's degree in Functional Maxillary Orthopedics. She has also completed courses in Neuro Occlusal Rehabilitation, Straight-wire in Progress, straightwire orthodontics, MBT philosophy, and orthodontics. She has also obtained Invisalign certification for the use of clear aligners. She practices primarily in their own dental office.

Dr. Scano Alessandra

Graduated in Biological Sciences in 2005. In 2010, she obtained a Level II Master's degree in Food Hygiene and Safety at the University of Cagliari. In 2019, she obtained a Phd degree in Innovation Science and Technology at the University of Cagliari. Fixed-term Researcher with 14 years of experience in various research projects in the fields of Molecular Biology techniques, host-pathogen interactions and antimicrobial activity. Knowledge of multiple Laboratory techniques in: clinical microbiology, molecular biology and metagenomic analysis.

Prof. Scarano Antonio

Full professor, Specialization Course Director in Oral Surgery and Implantology at the University of Chieti-Pescara. The clinical / research activity is oriented to the study of the structure and ultrastructure of the tissue-biomaterial interface and implant-prosthetic rehabilitation. He is an active member of numerous scientific associations and published the DEAM technique for the controlled expansion of the mandibular alveolar process. Dean of the Postgraduate Course in Bone Regeneration in Oral Surgery and Head of BioClinLab at the University of Chieti-Pescara. Antonio Scarano is author of over 516 scientific documents on International Indexed Journals with impact factors in multidisciplinary integrated fields and implant regenerative dentistry with an h-index of 65, 14800 citations.

RELATORI | SPEAKERS

Dr. Serafini Maurizio

Doctor Maurizio Serafini graduated Medicine and Surgery from the University of Chieti "Gabriele d'Annunzio" in 1985. Dental Practitioner in Chieti, is mostly involved in implant-prosthetic rehabilitation in patients with bone atrophy, with a personal case studies in the technique of intraoral bone graft and use of mitogenic agents /0 growth factors: PRP.

Prof. Serpico Rosario

Full Professor in Oral Medicine and Odontostomatological Diseases at the Multidisciplinary Department of Medical-surgical and Dental specialties, University of Campania "Luigi Vanvitelli" and Chief of the Program Unit of Oral Medicine and Pathology of the University of Campania Luigi Vanvitelli Hospital. Director of the Course of Dental Hygiene and Director of the School of Specialization in Pediatric Dentistry, University of Campania "Luigi Vanvitelli".

Prof. Shabaan Ahmed A. Elwahed

Professor of oral and Maxillofacial Prosthodontics, Faculty of Dentistry Future University. Founder and President of Egyptian Association of Prosthetic & Restorative Dentistry EAPRD. President of the Egyptian Dental Union.

Dr. Simoni Eriselda

Graduated in 2007 and has the SCI Master Diploma in Dental Medicine/Dentistry, and is a Specialist in Oral and Maxillofacial Surgery from 2015, specialized in Faculty of Medicine, University of Medicine, Tirana. From 2024 she is a PhD candidate. From august 2016 she works as a specialist in Oral and Maxillofacial Surgery in Oral Surgery Service of University Stomatologic/Dental Clinic Tirana. Her didactic experience consists as a lecturer in the department of Oral and Maxillofacial Surgery (lectures and practice), Dentistry Faculty, University of Medicine, Tirana. She is the author of over 50 scientific publications and she has attended many trainings, conferences, and in some of them she has been in the scientific and organizing board in Albania and abroad. She also has been part of some scientific projects in Albania.

Dr. Sparaco Maria

Graduated with honors in Dentistry, specialized with honors in Orthodontics at the University of Rome. She has been working as an orthodontist since 2011 exclusively focusing on the diagnosis and early-interceptive orthodontic therapy in children and orthodontics with invisible aligners in adults.

Prof. Spinis Enrico

Associate Professor – MED 28. University of Cagliari. Professor in Dental Prosthetic and Gnathology. MSc in Orthodontics Forensic Dentistry and Sport Dentistry. Director of the School of Specialization in Orthodontics. Member of Scientific Associations: SIDO SIOCMF SIOS SIOF SIOI SIDT. Author of more than 130 scientific publications in national and international journals.

Prof. Tadakamadla Santosh Kumar

Senior Research Fellow in the School of Medicine & Dentistry at Griffith University in Australia. He has strong research collaborations with researchers in Europe, Saudi Arabia, US and India and holds adjunct professorial appointments in Universities outside Australia.

Prof. Tartaglia Gianluca Martino

He received his D.D.S. degree from the University of Milan School of Dentistry, Italy in 1991. A confident healthcare professional with a track record of more than 30 years of successfully diagnosing and treating patients and following startups companies. Actually Full Professor at the Dental School of the University of Milan with research and coordination of post-graduate and PhD teams responsibilities. He has published more than 200 full papers into IF journals.

Prof. Tatullo Marco

Full Professor - Department of Translational Biomedicine and Neuroscience - University of Bari "Aldo Moro". Honorary Senior Clinical Lecturer - University of Dundee (UK). Member of the "Scientific Council" of the CDUO - College of University Lecturers of ETS Dentistry Disciplines. Former Chairman of the "Stem Cell Biology" Scientific Group (IADR) and Editorial Board Member of the "Journal of Dental Research".

GIORNATA PRECONGRESSUALE

08.45-13.30 SESSION 1 – Moderators

*Prof. Alessandra Laforgia
Prof. Saverio Capodiferro
Dr. Giuseppina Malcangi
Dr. Fabio Piras
Dr. Vincenzo Carpentiere
Dr. Pasquale Avantario*

08.45-09.05 **The biology of tooth movement: new concepts**

*Prof. Daniela Di Venere
Prof. Alessandra Laforgia*

09.05-09.25 **Orofacial muscles function. Fundamental element for dental success**

Dr. Antonio Ferrante

09.25-09.45 **Instrumental Contribution to TMDs Diagnosis: Functional Relationships between Body Districts**

Prof. Annalisa Monaco

09.45-10.05 **Orthodontic Treatment as prevention of Obstructive Sleep Apnea (OSA) in children**

Dr. Nunzio Cirulli

10.05-10.25 **Oral manifestations and dental health among patients with HIV/AIDS. An Albanian observational study**

Dr. Eriselda Simoni

10.25-10.45 **Behavioural and Maxillo-Facial-Oral manifestations in children affected by DiGeorge syndrome**

*Prof. Andrea De Giacomo
Prof. Massimo Corsalini*

10.45-11.05 **A dental hospital unit experience in improving dental care in autistic spectrum disorders**

Dr. Claudio Gallo

11.05-11.25 **Down Syndrome orofacial peculiarities and their management at the dentist chair**

Prof. Carla Mucignat

11.25-11.45 **Endodontic surgery with bioceramic sealants: a preliminary study**

*Prof. Saverio Capodiferro
Dr. Marta Forte
Dr. Carlo Andrisani
Dr. Giuseppe D'Albis*

11.45-12.05 **Big data and minimally invasive tools in monitoring the quality of life of patients treated for oral cancer**

*Prof. Chiara Copelli
Dr. Stefan Cocis*

12.05-12.25 **Efficiency, technology and innovation protocols in contemporary aligners therapy: possibilities, boundaries and solutions**

Dr. Daniel Celli

12.25-12.45 **Er:YAG and Nd:YAG in dentistry**

*Prof. Ioana Roxana Bordea
(University of Medicine and Pharmacy "Iuliu Hatieganu")*

12.45-13.05 **Temporomandibular disorders: diagnosis, etiological factors, and new treatment options**

CONGRESSO

10.00-13.00 SESSION 1 – Moderators

*Prof. Luisa Limongelli
Prof. Marco Tatullo
Prof. Daniela Di Venere
Dr. Giuseppina Malcangi
Dr. Belinda Guerra
Dr. Fabio De Pascalis
Dr. Angelo Michele Inchingolo*

10.00-10.20 **Distraction Osteogenic in Implantology**

Dr. Fabio Luís Bunemer Guerra

10.20-10.40 **Predictable tissue response. Evolution and revolution in procedures. Part I. Experimental evidence**

Prof. Adriano Piattelli

10.40-11.00 **Predictable tissue response. Evolution and revolution in procedures. Part II. Clinical evidence.**

Dr. Alessandro Cipollina

11.00-11.20 **Impacted Lower Third Molar Under Inferior Alveolar Canal: Technical Strategy for Minimally Invasive Extraoral Surgical Approach**

*Prof. Luigi Laino
Dr. Diana Russo*

11.20-11.40 **Biomedical research funding systems**

Prof. Giuseppe Ippolito

11.40-12.00 **The effect of growth factors for bone augmentation to enable dental implant placement**

Prof. Maher Almasri

12.00-12.20 **Laser assisted Aesthetics**

Dr. Islam Kassem

12.20-12.40 **Translational approaches with organoids from intraoral stem niches in neurodegenerative diseases**

Prof. Marco Tatullo

12.40-13.00 **Artificial Intelligence in Orthodontics**

Prof. Rosalia Leonardi

13.00-13.30 PAUSA LAVORI

13.30-14.50 SESSION 2 – Moderators

*Prof. Francesco Inchingolo
Dr. Gianna Dipalma
Dr. Alessio Danilo Inchingolo
Dr. Anna Maria Ciocia
Dr. Pasquale Sportelli*

13.30-13.50 **Innovations in diagnosis and treatment of Oral Potentially Malignant Disorders (OPMD)**

Dr. Agostino Guida

13.50-14.10 **Evolution in implant-abutment connections: From external Ex to Biconometry**

Dr. Luca Comuzzi

14.10-14.30 **Microinvasiveness and the biconometric revolution**

Dr. Giulia Marchioli

14.30-14.50 **Optimizing the regeneration of hard and soft peri-implant tissues through the use of innovative medical devices: preliminary results from preclinical studies**

Dr. Natalia Di Pietro

15.00-18.00 SESSION 3 – Moderators

*Prof. Daniela Di Venere
Prof. Saverio Capodiferro
Dr. Biagio Rapone
Dr. Elisabetta de Ruvo
Dr. Benito Pennacchio
Dr. Angelo Gagliardi*

15.00-15.20 **Diagnosis and treatment approach in subjects affected by JIA**

*Prof. Cinzia Maspero
Dr. Paolo Cressoni*

15.20-15.40 **Oral Capillaroscopy to assess microvascular changes of oral diseases and OPMDs**

*Prof. Maria Contaldo
Prof. Rosario Serpico*

15.40-16.00 **New Approaches in Endodontic Alloys: Integrating Bioengineering and Advanced Dental Techniques**

*Prof. Giuseppe Lo Giudice
Dr. Francesco Puleio
Dr. Roberto Lo Giudice*

CONGRESSO

08.45-12.45 SESSION 1 – Moderators

Prof. Massimo Del Fabbro
Prof. Vito Crincoli
Prof. Attilio Castaldo
Prof. Daniela Di Venere
Prof. Francesco Inchingolo
Dr. Belinda Guerra
Dr. Fabio De Pascalis
Dr. Giuseppina Malcangi

08.45-09.05 **Short implants as alternative to bone augmentation in the rehabilitation of the atrophic jaws**

Prof. Pietro Felice

09.05-09.25 **Clear aligner treatment in growing patients: dos and don'ts**

Prof. Vincenzo D'Antò

09.25-09.45 **Asymmetries in children and adults**

Prof. Giampietro Farronato

09.45-10.05 **The role of dentistry in the 21th century. A patient centered approach to global health**

Prof. Gianluca Martino Tartaglia

10.05-10.25 **Narrow Single Tooth Implants for Congenitally Missing Maxillary Lateral Incisors: A 5-year follow-up**

Prof. Antonio Scarano

10.25-10.45 **Tooth as a potential novel and innovative biomaterial? Biological, histological and clinical results**

Prof. Filiberto Mastrangelo

10.45-11.05 **The last frontier of short implants**

Dr. Ennio Calabria

11.05-11.25 **Implant-prosthetic rehabilitation of severe atrophic mandible: ian transposition**

Prof. Raffaele Vinci

11.25-11.45 **Plasmonic optical fiber biosensor for point-of-care detection of MMP-8, MIP-1 α and MDA as periodontal biomarkers**

Prof. Luigi Guida

11.45-12.05 **Pathology of the jawbones in children: diagnosis, treatment, main consequences and possible rehabilitations.**

Prof. Limongelli Luisa

12.05-12.25 **Tissue and organ rejuvenation from small molecules**

Prof. Mortellaro Carmen

COMMISSIONE SCIENTIFICA PER LA VALUTAZIONE

È prevista una Commissione Scientifica da un minimo di 3 ad un massimo di 5 membri per ogni topics.

ELENCO TOPICS Possono essere presentati più abstract per topics differenti

- | | | |
|-------------------------------|---|---------------------------------|
| - Chirurgia maxillo facciale | - Materiali dentari | - Parodontologia |
| - Chirurgia orale | - Odontoiatria digitale | - Patologia e medicina orale |
| - Conservativa | - Odontoiatria pediatrica | - Prevenzione ed Igiene dentale |
| - Endodonzia | - Odontoiatria preventiva e di comunità | - Protesi |
| - Gnatologia | - Odontoiatria speciale | - Rigenerativa |
| - Implantologia | - Ortodonzia | |
| - Laser in odontostomatologia | | |

LINEE GUIDA PER LA STESURA DEL POSTER

- Iscrizione gratuita e obbligatoria** degli Autori e Coautori al 6° Congresso Internazionale (scansiona il Qr-Code).
- TRASMISSIONE E REQUISITI DEL POSTER**
I Poster saranno redatti sulla base del **template grafico scaricabile online** e dovranno essere salvati in PDF con le seguenti impostazioni:
 - formato 36h x 20,3b cm (verticale)
 - risoluzione minima 150 dpi
 - massimo 10 MB

- dimensione font minima 14px consigliata 16px, altrimenti non si garantisce la corretta visualizzazione

Il file in PDF dovrà essere nominato come segue:

TOPIC – NOME – COGNOME (del presentatore) e dovrà essere trasmesso tassativamente entro il **20 agosto 2024** al seguente indirizzo e-mail: segreteria@altaformazioneaims.it

In caso di sottomissione di più poster da parte dello stesso autore presentatore è necessario rinominare il file con la seguente forma:

TOPIC - NUMERO – NOME – COGNOME (del presentatore)

ES. ortodonzia-1-nome e cognome; ortodonzia-2- nome e cognome

NON SARANNO INSERITI PER LA PRESENTAZIONE, I FILE NOMINATI IN MODO DIFFERENTE

COME PARTECIPARE ALLA SESSIONE POSTER

La presentazione di un Poster implica un costo di **€ 25,00** da regolare con carta o bonifico dalla pagina web dedicata:

Il Poster dovrà essere scritto in inglese e presentato in lingua italiana/inglese. Saranno accettati i Poster previa iscrizione **gratuita e obbligatoria** degli Autori e Coautori al 6° Congresso Internazionale, tramite QRcode in copertina o nelle pagina dedicata alle informazioni generali.

PREMIAZIONE

Al 1° classificato di ogni Sessione Poster selezionato dalle Commissioni Giudicatrici sarà attribuito un Premio; al 2° e 3° classificato un Attestato di Merito.

L'assegnazione dei premi avverrà **sabato 14 settembre 2024** presso l'Aula Magna, sede del congresso.

WRITING POSTER GUIDELINE

1. **Free and mandatory registration** of Authors and Coauthors for the 6th International Congress (Scan the Qr-Code).

2. POSTER TRANSMISSION AND REQUIREMENTS

The Posters will be write on the **graphic template available online** and should be saved in PDF format whit the following settings:

- 36h x 20,3b cm format
- minimum resolution 150 dpi
- 10 MB max.

- minimum font size 14px recommended 16px, otherwise correct display is not guaranteed

The PDF file must be named as follows: **TOPIC - NAME - SURNAME** (of the submitter) and must be submitted strictly by **August 20th, 2024** by email: segreteria@altaformazioneaims.it

In case multiple posters, it is necessary to rename the file: **TOPIC - NUMBER - SURNAME** (Ex: orthodontics-1-name and surname; orthodontics-2- name and surname)

FILES NAMED DIFFERENTLY WILL NOT BE ACCEPTED

HOW TO PARTICIPATE

The submission of a Poster costs **€ 25.00** and can be settled with credit card or wire transfer on the web page.

The Poster must be written in English and presented in Italian/English.

Posters will be accepted only with the **free and compulsory registration** of the Authors and Co-Authors to the 6th International Congress.

AWARDS CEREMONY

A prize will be given to the 1st place winner of each Poster Session; a Certificate of Merit will be given to the 2nd and 3rd place winners.

The Awards ceremony will take place on **Saturday 14th September 2024** in the Congress venue, the Aula Magna "G. De Benedictis" of the University of Bary.
